SUGGESTED BUDGET

1966-1967

✓ Town Charges, From Surplus	\$ 1000.00
✓ Support of Schools	7500.00
✓ Snow Removal, From Surplus	521.85
✓ Public Health Nurse, From Surplus	15.00
✓ Maine Publicity Bureau, From Surplus	25.00
✓ Bible Teacher, From Surplus	25.00
✓ Route 9 Advertising Commission, From Surplus	15.00
✓ Maintenance and Improvement of Town Hall, From Surplus	500.00
✓ Maintenance of Town Dump, From Surplus	100.00
Maine Coast Regional Health Facilities, From Surplus	100.00
State Aid Road (See Below) (Combined Amount)	
Town Roads (See Below) (Combined Amount)	1700.00

The above recommended budget suggests nine (9) appropriations to be taken from Surplus, totaling \$2,301.85. This year's bank balance is nearly \$1,900.00 over last years ending balance. This is due to rents of Town property, sale of gravel and Excise Taxes. Taking into consideration that there is a balance forward in the School Account of \$1,284.29, this suggested budget will bring the year end balance in the Treasury in 1967, to the recommended level of \$4,000 to \$5,000.

It is recommended that the Town appropriate \$1,200 (Four Units) for State Aid Road Construction and \$500 for Town Road Improvement for a total of \$1,700 or raise two units (\$600) for State Aid Construction and \$1,100 for Town Roads (total \$1,700). By raising Two Units, which the State will match at approximately 3½ to 1, for the use of Town Roads. We would have to raise the money to tar the Town Roads, which were improved. This would be approximately \$1,100.

REPORT OF THE Superintendent Of Schools

To the School Committee, Parents and Citizens of Aurora, I hereby submit my fifth annual report as your Superintendent of Schools:

School opened September 7, 1965 with the following enrollment by grades:

Grades	K	1	2	3	4	5	6	7	8	Total
Enrollment	5	0	3	1	1	0	0	1	0	11

Ellsworth High School: (Tuition Rate \$531.00)

Class of 1966—Dawn Keefe

Class of 1969—Delores Garland

Lee Academy: (Tuition Rate \$600.00)

Class of 1966—John Stilwell

Mrs. Doris Harrington returned to teach at the Caruso School this year and she has worked very hard to start five new children in Kindergarten and teach the other four grades the many various subjects. The Modern Arithmetic was introduced this year and the children are well under way on this new approach.

Your school committee has budgeted \$350.00 to purchase playground and other equipment and the Selectmen will be asked to screen the windows in the playroom and continue to work on the play area.

The balance forward this year is mainly due to the teacher having her pay spread over the summer and the parents who had Kindergarten children in school this year agreed to pick up their own children at noon at their own expense. This meant that the extra money voted for Kindergarten transportation home at noon, was not spent.

The recommended appropriation for 1966-67 is \$1700.00 less than that last year. This is mainly due to a decrease in High School students and the balance forward.

Following is the expenditures for last year and the recommended budget for 1966-67:

NOTICE

To inhabitants of Town of Aurora:

Your attention is called to new and revised laws enacted by the 102nd Legislature.

Title 12, Chapter 215, Sub-Chapter 5, Section 1355

This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of $\frac{1}{2}$ the costs of control of any escape fire from this dump during time of closure. This is up to 1% of state's valuation of town.

Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A.

This states **no equipment** for producing power shall be operated in or near woodlands **without approved spark arresters or mufflers**. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

Title 12, Chapter 215, Sub-Chapter 11, Section 1653.

Any person who wilfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be **liable to the state or town for up to \$500.00** of the suppression costs.

Title 25, Chapter 317, Section 2436-A.

This sets up control of debris burning when the ground is **not covered with snow**. Debris may be burned out of doors only between the hours of 5:00 PM and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. Incinerator approval may be obtained from your Town Warden when the ground is not covered with snow. To meet approval incinerators must be tight containers with 1" holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes $\frac{1}{2}$ " or smaller. Incinerator is to be set in center of circle 10 ft. in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

NOTE: This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields of dry grass must be obtained for any time of day

Questions on these laws may be answered by your Town Forest Fire Warden, Fire Chief, or at the nearest Forest Ranger Station.
